

PRÆSTAT OPES SAPIENTIA

HAMPTON SCHOOL

(HMC 1312 boys 11-18, 385 in Sixth Form)

**PLUMBING & HEATING ENGINEER
FULL-TIME**

A qualified and highly skilled Plumbing & Heating Engineer is required to join our in-house Estates Team overseeing the maintenance and upkeep of the Hampton School Trust's academic, co-curricular and residential buildings.

The successful candidate must have experience in the installation, repair, servicing, maintenance, testing and monitoring of plumbing, heating and gas systems, pipes and fixtures not limited to water distribution, waste systems, domestic central heating system/boilers/radiators/hot water cylinders and controls. You will be required to work across 4 sites in Hampton, including a Boat House on the River Thames. The role will involve carrying out planned preventative maintenance as well as covering out of hours emergencies.

This is a permanent full-time position and normal working hours will be 8.00am - 4.30pm. The salary will be negotiable and commensurate with skills and experience and is expected to be no less than £35,000 basic salary (plus an attractive benefits package including pension, private health insurance and generous holiday allowance).

The closing date for applications for this position is
Wednesday 21 August 2019 at 9am.

Further details of the post and an application form may be obtained from the Hampton School website www.hamptonschool.org.uk. Application forms to be emailed to recruitment@hamptonschool.org.uk.

*Hampton School is committed to safeguarding and promoting the welfare of children and the successful applicant will be subject to child protection screening appropriate to the post, including checks with past employers and an enhanced disclosure through the DBS.
