Teacher of Latin

Part time

The Princethorpe Foundation

The Princethorpe Foundation, which is administered by lay trustees, provides coeducational, independent, day schooling in the Catholic tradition for some thirteen hundred children from age two to eighteen years. The senior school, Princethorpe College, (HMC 11 - 18) is about 7 miles from Leamington, Coventry and Rugby, with the junior schools, Crescent (IAPS) about seven miles away in Rugby, and Crackley Hall School (IAPS) and Little Crackers Nursery about nine miles away in Kenilworth.

The School

Princethorpe College opened in 1966 and occupies a fine former Benedictine monastery which was built in the 1830s in 200 acres of parkland. The origins of the school date back to 1957 when the Missionaries of The Sacred Heart opened St Bede's College in Leamington Spa; the subsequent move to Princethorpe gave an opportunity for expansion.

The school became a lay foundation in 2001, when it merged with St Joseph's School in Kenilworth, resulting in the consolidation of a junior school and nursery on the Kenilworth campus. Crackley Hall is a significant feeder for Princethorpe. In September 2016, The Crescent School, a stand-alone prep school for seventy years in Rugby, also merged with the Princethorpe Foundation.

About one-quarter of the children at Princethorpe are Catholic and the Foundation welcomes children and staff of all denominations. The key catchment area for the school lies in a radius of about twenty-five miles, largely within the conurbations of Coventry, Leamington, Warwick, Kenilworth, Solihull, Stratford, Lutterworth, Banbury and Rugby, all of which enjoy a private bus service.

The Head of Princethorpe, Ed Hester, is Foundation Senior Head and as chief executive chairs the Foundation Executive Committee (FEC) which has responsibility for the day-to-day running of the schools and strategic planning. Financial management, estates, catering, IT systems and marketing for all schools in the foundation are resourced centrally. The head of Crackley Hall, Robert Duigan and the Head of the Crescent, Joe Thackway, are also members of the FEC.

Ed Hester is a member of HMC and the school also has membership of ISA and CISC.

The school continues with a comprehensive investment programme which over the last decade has seen a Sixth Form Centre built, Sports Centre improvements, chapel refurbishment, a new Photography department, update of IT facilities, Music department and classroom refurbishment and restoration of The Roundhouse to provide a stunning multi-purpose meeting, teaching and performing space. *The Limes*, a £4.5m fourteen-classroom teaching wing serving English, Modern Foreign Languages, Academic PE, IT and computing opened in September 2014. An indoor climbing wall and new fitness centre were part of the same project.

Ethos

Princethorpe life extends well beyond just exam preparation. The gospel values of love, service, commitment and forgiveness are central to everything which the school does, underscored by the school motto, *Christus Regnet* – may Christ reign.

Our schools are characterised by their strong Christian ethos and pride themselves on providing a caring, stimulating environment in which children's individual needs are met and their talents, confidence and self-esteem are developed.

The school maintains its Catholic tradition through assemblies, morning prayers, Holy Mass, celebrating the sacraments, teaching of Religious Studies and a vibrant Chaplaincy.

The social, cultural, intellectual, spiritual and emotional needs of pupils drive the school which is famed for outstanding levels of pastoral care. The ISI inspection report from April 2014 makes reference to the spiritual, moral, social and cultural development of pupils as being a key strength of the school.

The Local Area

True to its heritage as a fashionable spa resort in the late 18th century and with a population of 50,000, Leamington is a thriving and elegant town of culture, leisure and good eating, with a well-regarded shopping experience comprising the usual range of high street outlets plus a significant number of independents. There are three key green spaces: the Jephson Gardens, Pump Room Gardens and Victoria Park. All of the major supermarkets are present. Swimming, golf, football, rugby, tennis, real tennis, health clubs, galleries, museums and the theatre are all well represented.

Rugby which has a population of 71,000, has an industrial heritage including the development of Whittle's jet engine and is, of course, the birthplace of rugby football; Coventry is famed for its Basil Spence Cathedral where Britten's War requiem was first performed and Warwick has a gentler air boasting the finest mediaeval fortress in the country. Kenilworth has the ruins of a castle, the remains of a medieval monastery, interesting architecture, a huge choice of well-regarded restaurants and a variety of independent retailers.

Communications in this part of the world are excellent, with easy access to the Midlands motorway network, and London is about an hour from stations at Leamington Spa, Rugby and Coventry. Shakespeare's Stratford-upon-Avon and the Cotswolds are a short drive away. There is a huge variety of property at modest prices.

Looking Forward

Princethorpe College enjoys an excellent and growing reputation. Pupil numbers have risen to around 900 and continuing strides are being made to ensure the highest academic standards and a widening extra-curricular programme. Many pupils gain representative honours in sport and England cricketer, Ian Bell, numbers amongst the school's alumni.

Plans are in place for *The Close*, a ten laboratory Science block at Princethorpe and *The Gables*, at Crackley Hall, comprising a multi-purpose hall, classrooms and music practice rooms opened in February 2016 and represents a further £2m investment. A new Virtual Learning Environment utilising *Firefly* has been implemented and is being rapidly populated. A pilot study for using tablets and other digital devices in class groups has recently been completed.

Curriculum

The curriculum is wide-ranging and our challenge is to prepare pupils for their next stage of education.

The academic performance of the school continues to go from strength to strength. In public examinations our pupils excel: in 2019 at the top end 30% of all A-level grades were A* or A

and 75% of grades were C or better; at GCSE 48% of grades were new 9, 8, 7 or A* or A grades and 28% of pupils achieved eight or more 9, 8, 7 or A* or A grades.

When looking at the academic “value-added” we give to our pupils, these results compare with any school in the country – bright students achieve outstanding results and children who find their academic studies more challenging achieve results between a half and full grade better than could be expected.

We are of course delighted by these academic achievements, but we are equally proud of the qualities our students show as they leave the school to continue their education: kindness, respect and a strong sense of right and wrong.

In the last few years we have changed our timetable to increase teaching time to the core subjects in the Lower School and all subjects at A-level. We have also developed robust internal monitoring and tracking programmes which run along our assessment and reporting schedules to ensure pupils are aiming for, and achieving, their best academically. Our aim is to ensure we develop all our students so they become resilient and have the independent learning skills they will need for life after Princethorpe be it university or work.

The School Aims:

1. to provide a first-class, rounded education for all its pupils;
2. to ensure that a strong Christian ethos - underpinned by the values of our founders, the Missionaries of the Sacred Heart - permeates the school; this ethos nurtures personal spirituality, moral development and self-respect based on Gospel values, love of God and love of one's neighbour. Respect for others and the environment, generosity, compassion, loyalty and a desire to “do the right thing” are key indicators of this living ethos, as are good manners, courtesy and an appreciation of the joy of life;
3. to prepare each pupil to be a positive, tolerant member of our multi-cultural society, being generous of spirit in serving others. We aim to forge strong links within our own community and in the local and wider communities;
4. to offer a broad curriculum which is challenging, exciting and meets the needs of our pupils. It needs to be balanced, have academic integrity, cater for a variety of educational needs and to foster a life-long love of learning and enjoyment of academic pursuits;
5. to have the highest standards of teaching and learning. We want pupils to be active learners and take responsibility for their learning; we want them to have independent learning skills, be resilient and have academic stamina and rigour. We want pupils to achieve the best possible examination results - but focus on these must not stifle creativity, fun, independence, breadth and depth of learning;
6. to ensure all members of the College Community receive the necessary support, encouragement and motivation to grow and develop above and beyond their own expectations. We aim to set ourselves the highest possible standards and view the giving of encouragement, affirmation and praise as essential to the ethos of the College;
7. to offer a first-class comprehensive extra-curricular programme that encourages and inspires the whole range of ability and interest levels from outstanding performers to reluctant beginners;

8. to provide the necessary channels for good communications within our community so that all have a voice which can be heard and all are kept informed of events and developments;
9. to provide the necessary planning, structure and resources to meet the above goals. We must also ensure that we care for our resources and use them well. We aim to promote Foundation-wide thinking so that planning, ideas and resources are shared across the schools to best effect;
10. to provide the financial security and stability to deliver the above goals and assure the future of the College and Foundation.

Role

Required for September 2020, a well-qualified graduate to teach Latin to A-level in a popular, successful and growing department. The person appointed will be required to teach approximately half a timetable. Candidates should be able to demonstrate success in the classroom and be effective team players.

NQTs are also welcome to apply; the College has a comprehensive induction programme leading to full QTS status. Single accommodation may be available. Princethorpe has its own pay scale which is above national scales.

Latin at Princethorpe College

The Latin Department caters for pupils from a wide range of academic ability. Lessons are offered both on timetable and as a co-curricular option in Years 9-11.

All pupils begin the study of Latin in Year 7. The purpose of this course serves as an introduction to the Latin language, considers the reasons for learning Latin and touches on some aspects of Roman civilisation. The course is based on Book 1 of the Cambridge Latin Course and uses an independent learning manual to support pupils' learning. Dependent upon the individual pupil's ability the Latin course may be continued to the end of Year 8.

Pupils may then continue their study of Latin in Year 9. They can choose the subject either as one of their options on timetable or take the co-curricular option on one evening per week. The aim of this course is to enter all pupils for the WJEC Level 1 qualification.

In Years 10 and 11 pupils may continue Latin either as one of their choices on timetable or take the co-curricular option on one evening per week. The aim of this two-year course is to prepare pupils for the Eduqas GCSE examination at the end of Year 11.

Latin is offered in the Sixth Form according to demand.

Since much of the teaching for older pupils is done on a co-curricular basis covering two or three evenings per week, we are looking to employ a person who is willing to take on at least some of this commitment.

Currently there is one member of staff teaching. We have one large teaching room and a smaller teaching room for tutorials. Both rooms are currently equipped with one networked PC and an interactive white board. Access may always be booked to IT suites for specific lessons.

Our students are very successful in public examinations. The large majority of pupils entering both WJEC qualifications last year achieved an A*-A grade.
